**NOTES:**

<sup>1</sup> Two dates are shown for each record type: the *Full* date [being the beginning date where the records are substantially complete] and the *Partial* date [being the beginning date where some, but not all, of the records can be found]. Also, Title Data does not load *all* case types into CDDS, as some case types do not affect title to real property (for example, personal injury suits).

<sup>2</sup> In this county, family court cases are included with district civil court cases.
